**No Precarious Employment**

Our recruitment and employment practices established on the basis of a recognized and documented employment relationship, in compliance with national legislation, custom or practices, international labor standards and collective bargaining agreement, whichever provides greater protection. Before entering into employment, it has been provide workers with understandable information about their rights, responsibilities and employment conditions, including working hours, remuneration and terms of payment.

During recruitment, copies of identity cards are taken and original identity documents are delivered to employees without any retention.

Decent working conditions that also support workers, both women and men, in their roles as parents, and arising from law, especially including migrant and seasonal workers.

We do not use employment arrangements in a way that deliberately does not correspond to the genuine purpose of law. This includes - but is not limited to - (a) apprenticeship schemes where there is no intent to impart skills or provide regular employment, (b) seasonality or contingency
work when used to undermine workers' protection. Furthermore, the use of sub-contractors in the facility may not serve to undermine the rights of workers.

**Forced Labor, Harassment, Abuse, Mistreatment**

Any form of forced and bonded labor is strictly prohibited. Any kind of system like forced labor, continuous apprenticeship, illegal employment and non-voluntary employment do not apply to running at our factories. Forced labor can not be implemented as a disciplinary practice. Workers have right to terminate their employment by giving reasonable notice to the employer. Sanctions does not apply for this reason.

Employees shall not be forced to stay at work after their working hours finished.

We ensure that workers are not subject to inhumane or degrading treatment, corporal punishment, mental or physical coercion and/or verbal abuse.

Deductions from wages are allowed by only under conditions described in the law, to the extent permitted by law and as specified in the Collective Bargaining Agreement.

All disciplinary procedures must be established in writing, and are to be explained verbally to workers in clear and understandable terms.

We behave toward our employees with respect and dignity. We avoid any kind of physical or mental pressure on our employees and mistreatment. Tolerance to any kind of insult and harassment will not be shown which cause working environment turn into a hostile place with undesirable words, visual, physical and other threatening behaviors.

**Protection of the Environment**

We work in compliance with effective policies and procedures that reflect our responsibility towards the environment and evaluate the impact of our activities within the limits set by local laws, regulations and all the relevant regulations in order to avoid damage to the environment. We take the necessary measures to avoid or minimize the bad influence on society, natural sources and general environment. For this purpose, we try to reduction, eliminate and avoid all forms of pollution by preparing waste management plans. We provide efficient and apparent trainings to ensure environmental awareness and sensitivity and involvement of employees. Environmental performance reports are prepared in order to monitoring and controlling continuous development of our activity.
Ethical and Fair Business Behaviour

Sisecam Community has implemented Bribery and Corruption Prevention Policy as an indication of its sensitivity about business ethics. Employees are supposed to show sensitivity to this issue due to its characteristic as an act requiring legal punishment additional to business ethics and to approach it as a part of their personal duty and responsibility.

This policy as an integral part of the Code of Ethics comprises not only Group employees, but also all business partners that serves the community or acts on behalf of the community.

Sisecam Community committed to adapting to the laws and regulations, universal legal rules, ethical and professional principles within the context of bribery and corruption of all countries where it operates and represented. Our community acts with “zero-tolerance” approach against bribery and corruption and committed to maintain its activities fair, honest and according to legal and ethics rules under this policy.

We aim to work in accordance with law and in ethical manner. Any form of corruption, fraud, embezzlement or bribery shall not be accepted.

We keep accurate and reliable information regarding our activities, financial documents and business records in accordance with applicable regulations and industry benchmark practices. Such information cannot be falsified or misrepresented in the supply chain.

Additionally, the collection, use and otherwise process of personal information (including that from employees, business partners, customers and consumers in their sphere of influence) shall done with reasonable care. The collection, use and other processing of personal information is to comply with privacy and information security laws and regulatory requirements.

Employees are not allowed to procure personal interests and interests for close relatives/friends by means of duties and responsibilities which affecting or may affect our employees to perform their duties in an impartial manner.

Employees are not allowed to take and request any gifts or benefits, which can cause impression of irregularities and affect our employees in an impartial manner and provide an unfair advantage with the exception of promotional materials.

Sisecam Code of Ethics is the basis of our ethical behavior and fair business practices.
