ELAZIG HOSPITAL PPP PROJECT IN TURKEY (SUPPORTED BY MIGA, 2017)

MIGA's mission is to promote foreign direct investment (FDI) into emerging economies to improve people's lives and reduce poverty. We fulfill our mission by providing political risk insurance guarantees to private sector investors and lenders. MIGA's guarantees protect investments against non-commercial risks and can help investors obtain access to funding sources with improved financial terms and conditions. Our unique strength is derived from our standing as a member of the World Bank Group and our structure as an international organization with our shareholders including most countries of the world. Since our inception in 1988, MIGA has issued more than \$28 billion in political risk insurance for projects in a wide variety of sectors, covering all regions of the world. MIGA-insured projects encompass a broad range of sectors, including banking, mining, manufacturing, agribusiness, telecommunications and others.

## OVERVIEW

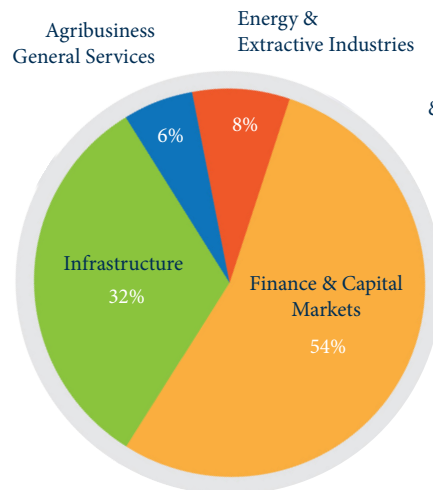

In September 2011, MIGA opened an office in Paris, located in the World Bank's European Headquarters, to focus on marketing MIGA's programs to European investors and specifically to strengthen cooperation with French and European investors. MIGA is a key partner for French companies in middle-income countries, as well as regions where France has maintained historical ties, such as Africa and the Middle East. The office covers business outreach to the Middle East, North Africa and Eastern Europe. While the team's main focus is business development, it is also actively involved in underwriting, working closely with MIGA staff based in Washington, D.C.

## GUARANTEE PROGRAM

France is a key investor country for MIGA. As of June 30, 2017 French investors held \$1.112 billion (6.3%) of MIGA's total outstanding gross exposure.

## EXAMPLES OF SUCCESSFUL COOPERATION INVOLVING FRENCH INVESTORS

### ► INFRASTRUCTURE in TURKEY

MIGA issued guarantees of \$361 million covering an investment by Meridiam Eastern Europe S.a.r.l for a period of up to 20 years against the risks of transfer restriction, expropriation, and breach of contract. The project involves the construction of a 1,038-bed hospital campus in the city of Elazig under a 28-year design, build, finance, operate, and transfer agreement. Facility management and clinical support services will also be provided under the contract. The project is part of the Turkish Health Public-Private Partnership Program (PPP) developed by Turkey's Ministry of Health to renovate the public hospital infrastructure in the country. MIGA has previously supported the Health PPP Program by issuing guarantees to Meridiam for its investments in the Adana Integrated Health Campus and Yozgat Integrated Health Campus.

▶ **BANKING in SENEGAL**

MIGA issued guarantees of \$100.2 million covering a Euro – US dollar cross-currency swap arrangement between Citibank, Societe Generale, and Standard Chartered Bank and the government of Senegal. Senegal’s Ministry of Economy and Finance entered into the swap agreements as a hedge against currency risk exposure related to a 10-year tenor, \$500 million Senegal Euro-bond issued in July 2014. The MIGA guarantee covers risk against a failure by the government of Senegal to honor the obligation under the swap agreement.

▶ **TRANSPORTATION in COTE D’IVOIRE**

MIGA issued \$145 million in guarantees covering equity investments and subordinated loans from Bouygues Travaux Publics of France and Pan African Infrastructure Development Fund of South Africa, subordinated and senior loans from Africa Finance Corporation of Nigeria, and senior loans from BMCE Bank International Plc of the United Kingdom and FMO of the Netherlands. MIGA’s coverage is for a period of 15 years against the risks of transfer restriction, expropriation, war and civil disturbance, and breach of contract.

▶ **INFRASTRUCTURE in TURKEY**

MIGA issued a guarantee of €170.1 million (\$192.9 million equivalent) covering a non-shareholder loan from BNP Paribas of France—acting as agent on behalf of itself and Crédit Agricole - CIB—for the Üsküdar-Ümraniye-Çekmeköy Metro Line in Turkey. The coverage is for a period of up to 13 years against the risk of non-honoring of financial obligations by a sub-sovereign. The project consists of the procurement of rolling stock of 21 driverless trains of six metro cars each, as part of the commissioning of the Üsküdar-Ümraniye-Çekmeköy metro line (UUC Metro Line).

▶ **MANUFACTURING in WEST BANK & GAZA**

MIGA issued guarantees of \$11.8 million covering equity investments by Vegetable Oil Industries Company, Yusor Company for Investment, Pan Gulf Company for Investment, and The Alzahra Company for Investment of the West Bank and Gaza as well as Coca Cola Midi S.A.S. of France in National Beverage Company (NBC) Gaza Branch. The guarantees through MIGA’s West Bank and Gaza Investment Guarantee Trust Fund are for a period of up to 10 years against the risks of expropriation and war and civil disturbance. The project also benefits from reinsurance support from MIGA’s Conflict and Fragile Economies Facility. The project involves the expansion of NBC Gaza Branch’s operations, including the addition of a manufacturing facility for beverages dedicated to serving Gaza’s domestic market.
